

I found it at the Boat Show

Get a Clutch on Your Tiller

The tiller clutch is a great idea for small boat handling. It's simple to use and inexpensive; perfect for holding your course with a tiller steered vessel. It's also easy to install and use. The Tiller Clutch is available for all size vessels, as long as they use a tiller. Want more info on this great idea? Just go to www.wavefrontmarine.com.
